# JAZZ EXPLORATION CLASSES

This year, if you have a FULL PASS, you can take up to **2 Jazz exploration classes** per person. It is NOT available for Party Passes, thanks for your understanding !

You need to [PRE-REGISTER](#) for these.

Please follow the instructions on the document to make it nice and clear for everybody, as it will be self-handled by participants themselves. 🙏

## Vocalization & Body Percussion (Tinah Devret)

Dive into the art of vocalization and «body percussion.» It's a unique opportunity to explore iconic forms of jazz expression, including the renowned «call and response.» You'll discover how to embody rhythm, creating a profound connection between your voice and movements. This session will provide a space to enhance your understanding and practice of swing, adding a rhythmic groove to your musical journey. #Groove

## JAZZ & HOUSE DANCE (Didier Firmin & Jazz teacher)

How to explore the similarities in rhythm, flow and culture in these two «uncle & cousin» dances, and get some inspiration from the club dance into your jazz.

## FROM JAZZ TO HIP HOP (Aminata Crazystyle & Jazz teacher)

We always hear «hip hop comes from jazz»... Explore the true philogeny between the dances, the common steps and ideas and get your jazz «reverse-inspired»!

## GWO'KA (Ludovic)

Discover this art form (dance & music) from the island of Guadeloupe in the french Antilles. Gwo'ka is danced to the sounds of the «Ka» drums. It is born as a form of resistance against slavery and is now used in various contexts, religious and non religious.
